Dear Dr. Sheeley:

It was good to visit with you and your Reaffirmation Committee during your visit to Fayetteville Technical Community College. The attached documentation is the College's reply to the Committee's final report of November 30, 2010.

Enclosed you will find a copy of the written report of our responses to the three recommendations contained in the Committee's report, which includes the original QEP and the revised QEP. We have also enclosed six flash drives containing the same information for use by the COC Committee. An additional drive with the information and a paper copy are included for your use.

We thank you for your assistance to our faculty and staff as we developed our responses to the final report.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Larry Keen".
