

23 NCAC 02B .0205 COLLEGE PLANNING

Each member college of the Community College System shall maintain an ongoing planning process which provides for development of a college plan. As a minimum, college plans shall address program and facility needs; shall include the college's mission, goals and objectives, consistent with the mission of the System and with the State Board's priorities; and shall provide for evaluation of results. Plans shall be submitted to the Department in accordance with its procedures.
