Click on the course you're interested in to view a course description and schedule. You can register through our secure web site. Fill out the registration form and credit card information. When you submit your completed registration you will receive an e-mail with instructions on how to access the classroom web site. The data on your registration form and your credit card information is secure. It will not be sold to any other person or entity.

Please note course requirements as to specific software that may be required for a particular course. Also some courses, because of the complexity of the course content, may carry prerequisites. These prerequisites have been established as a guide to help ensure a student has the background to successfully complete a course. It will be up to the student to determine if he/she has met the prerequisites.
