ELECTRONIC DATABASES

NC LIVE *(Articles on every topic)*
North Carolina Libraries for Virtual Education (NC LIVE) is the premier statewide database. It offers online access to complete articles from over 10,000 newspapers, journals, magazines, and encyclopedias. NC LIVE has over 24,000 electronic books.

At FTCC, you can access NC LIVE in the Paul H. Thompson Library and on any campus computer. Search Tips are available "For New Users" on NC LIVE'S opening
FOR REMOTE ACCESS FROM OFF-CAMPUS:
You may obtain a password for remote access by 3 methods--1) In the library with a current FTCC I.D. card; or 2) By telephone with your name and verifiable class enrollment; or 3) By email with your name and verifiable class enrollment. Send email requests to:
library@faytechcc.edu

Remember that remote access is a privilege for FTCC students, and cannot be shared with others. The Database passwords will change each semester.

Literary Reference Center *(Literary Criticism)*
A comprehensive literary reference database, which provides users with a broad spectrum of reference information from antiquity to the present day. Contains detailed information in full-text on the most studied authors and their works, as well as literary criticism.
NC LIVE password for remote access. Follow procedures listed under NC LIVE

Opposing Viewpoints Resource Center *(Pro vs. Con)*
Opposing Viewpoints Resource Center draws on the acclaimed social issues series published by Greenhaven Press and other sources, to provide a one-stop source for information on social issues. Access viewpoint articles, topic overviews, statistics, primary documents, links to websites, and full-text magazine and newspaper articles.
Password required for remote access. Follow procedures listed under NC IIVE
If you experience connection problems please call 1 800 877 4253.   select option 4 for technical support (8 AM to 5 PM est)

   Start searching this collection.

SIRS Researcher *(Pro vs. Con)*
Features thousands of relevant full-text articles and analysis on today's hottest and most controversial social, scientific, health, historic, economic, political, and global issues. Users can search by subject or keyword, or choose from a list of leading "Pro vs. Con" issues.

Biography Resource Center *Library Use Only*
This database combines award-winning biographies from respected sources and full-text articles from hundreds of periodicals. Search for people based on one or more personal facts such as birth and death year, nationality, ethnicity, occupation or gender, or combine criteria to create a highly-targeted custom search. **Ask a member of the library staff for login assistance.**

Westlaw is available on library computers. Users can access cases, regulations, and other legal material at both the federal and state levels. **Remote access available by faculty request.**

Current Issues: Health Offers a thorough and balanced overview of health related subjects selected by H.W. Wilson editors. The database features over 80 topics from leading issues in the fields of health and medicine

from "Adolescent Health" to the "World Health Organization".
