Parents For Higher Education (PFHE) Child Care Grant

FTCC is very pleased to offer financial services to our students through child care grant funding. The Parents for Higher Education Child Care Grant (PFHE) provides financial assistance with childcare.

Students applying for assistance must have completed the College's process of admissions. Approval is based on the greatest need.

When applying for assistance, the following must be applicable to the student.

- Enrollment in a minimum of nine (9) credit hours.
- PELL Grant SAR on file with the Financial Aid Office.
- GPA of 2.0 or better.

The application process is completed once a year. Applications are available during April.

You may visit the campus for an application at that time or you may contact Genelle Blue or Angela Murray to have an application mailed to you during the application period.

Approved applications are for one academic year (fall and spring).

If you are eligible and are receiving childcare assistance through your county's department of social services, you are ineligible for the PFHE program.

For more information, please contact:
