8-Week Classes at Fort Bragg

FTCC offers two 8-week accelerated class sessions each semester (one in the summer). Classes are offered in both traditional and online sections. Fort Bragg classes are conducted at Irwin Intermediate School, Albritton Junior High School and the Soldier Development Center.

Classes offered during these accelerated sessions are the same classes offered on Main Campus during the semester. All classes provide semester hour credit and meet degree requirements for the various programs at FTCC. Schedules are printed for each 8-week session approximately 3-4 weeks before the first day of class.

DANTES/CLEP

These standardized exams are offered to allow colleges and universities to award credit for, or to exempt a student from, general education requirements in a variety of subjects by testing them on knowledge they already have. Passing CLEP and DANTES scores in English, Social Sciences, Natural Sciences, Humanities, and Mathematics can equal credit for classes offered in these areas at FTCC.

Please stop into the office to get a full listing of exams that are accepted by FTCC.

Military Evaluations

The FTCC Fort Bragg office offers evaluations of Military experience for all active duty and retired military personnel on a first-come, first served basis. In order to have an official military evaluation completed, which may result in transfer credits, you will need:

- A current copy of your AARTS transcript
- Copies of Certificates of Completion from Army schools (if they are not listed on AARTS)
- Official transcripts from your high school & any other colleges attended
- Completed application for FTCC Admissions process
- Complete at least one curriculum course with FTCC

Military evaluations are done on Mondays, Wednesdays, and Fridays from 9:00am to 3:00pm only.

SOC and SOCAD

Servicemembers Opportunity College (SOC) began in the early 1970's to help expand and improve post-secondary educational opportunities for military personnel and veterans. Since its inception, SOC has guided the civilian academic community in responding to the particular education needs of military personnel, while at the same time helping the Military Services understand the resources, limits, and requirements of American higher education institutions. Visit [DANTES/SOC web site](#) for more information.

Tuition Assistance-GoArmyEd.com

Many active duty soldiers are eligible for Military Tuition Assistance. For more information regarding your tuition assistance benefits, visit [GoArmyEd.com](#) or contact your Education Center Counselor. FTCC accepts tuition assistance as a form of payment. Active duty soldiers based in North Carolina qualify for in-state tuition rates, which is \$50.00 per credit hour. Effective October 1, 2002, tuition assistance covers 100% of the tuition costs, up to \$250.00 per semester hour or \$4500.00 annually.

In-state and Out-of-state Tuition Rates

Active duty soldiers based in North Carolina, and their family members, are eligible for in-state tuition rates which are \$50.00 per credit hour.

Students who are not legal residents of North Carolina, must pay the out-of-state tuition rate of \$241.30 per credit hour.

All students, regardless of residency status, pay a \$14.00 student activity fee and a \$16.00 technology fee each semester.

Unit Classes

FTCC also offers traditional and online unit classes which allow soldiers to attend class in their unit based on organizational availability. These classes are arranged on a unit by unit basis. The cost to the soldier is the same as any other course at FTCC and all unit classes qualify for tuition assistance.

For more information on unit classes and how to start one in your unit, contact Victor Robinson at 678-1051 or robinsov@saytechcc.edu.
