A **100 percent refund** may be made upon request of the student if it pertains to the following:

1. If the student officially withdraws from the class a day before the semester begins (January 11). *For example, the class must be dropped NO LATER than January 10 to receive a full refund.*
2. If the school cancels the class.

A **75 percent refund** may be made upon request of the student if the student officially withdraws from class(es) prior to or on the official 10 percent point of the class(es) or the 10 percent point of the term if the student officially withdraws from college.

To comply with applicable federal regulations regarding refunds to individuals or groups, federal regulations will supersede the state refund regulations stated in this rule.
