## About the NCLOR...

The North Carolina Learning Object Repository (NCLOR) collects documents, audio/video clips, simulations, learning modules, assessments, and more – virtually any type of learning resource that can be digitized and processed. Teachers from around the state can then search the LOR, find materials appropriate to the classes they are teaching, and use them as is or modify them to suit their needs. This concept of sharing and reusing is the core of the LOR philosophy. Teachers can become more productive and efficient. If quality course or digital materials exist and are free for North Carolina faculty, why reinvent the wheel?

Want to look around? Instant guest access is available by clicking [here](#).

The North Carolina Learning Object Repository (NLCOR) is a collaborative effort between the Community Colleges, UNC system, DPI, NC Virtual Public School, and Independent Colleges and Universities.

## Technical Requirements

Below is the list of requirements for client computers using the NCLOR.

### Platform:

Windows 98, XP, 2000, 2003, Vista  
Apple Mac OSX+  
Sun Solaris 8, 9 and 10  
Linux

### Internet Browser:

Internet Explorer 6 and 7  
Safari  
Firefox 3.5.x and below  
Java 1.6

### Internet Connection:

High Speed Broadband connection recommended

### Course Management System integration:

In order for the NCLOR to integrate with a CMS, the CMS plugins listed below must be installed on the institution's CMS server and the [Institution Profile](#) must be completed by the institution's DL admin.

[Blackboard building block \(for versions 6.x to 8.x\)](#) \*Bb 9.0 not supported at this time

- [Moodle Activity module \(for versions 1.9x\)](#)
